### INFORMATION

#### NOTE TO APPLICANTS

There is a charge of \$1 for each *applicant listing* to help defray costs of postage, etc.

Each listing should include the following items of information in order; type of position preferred; two subjects with best preparation; highest degrees and awards; experience; publications; present residence; age; family status; date available. If you are willing to have your name and address released to employers upon request, include a statement to this effect when you send your listing. Otherwise names are not divulged.

In replying to a vacancy, applicants are advised to send a brief reply with a *vita* first, to be followed by more details if requested. Since employers are not obligated to reply to letters regarding vacancies, applicants who receive no word within three weeks of their application should assume that they are not being considered for the particular job.

#### NOTE TO EMPLOYERS

Send in *listings* which describe the vacancy briefly. There is no charge for this confidential service.
